

DEREK GORES

In Derek's Collage Portraiture Workshop you will Learn to use found papers to create a rich and dynamic image. You will explore the textures, colors and content of paper as you create one new larger image. Magazines, maps, postage stamps, handwritten notes, and more will be used to embrace the assorted text and imagery of the materials.

Derek will demonstrate and interact, critique and discuss. I encourage you to visit Derek's website to get a better idea of his collage work. www.derekgores.com

The two youtube videos below will give you an idea of Derek's unique work.
